

Request For Proposals for Design Build Services for the Shady Side Drive Slope Stabilization Project

RFP 2021-01 ADDENDUM #2

FEMA EVENT: 4600DR-GA
FEMA PROJECT #: 435773

The following additional question was not included in Addendum #1 for the above-mentioned project, answer to the question is in *red italic*.

1. When they built the road, they would have plans for the construction of it. When they are finished normally the owner gets a set of plans called "as-builts". Hopefully, they have those, can you find out or I can call Rhonda Lunsford and find out myself. or do they have some type of survey information?

Answer: There are no as-built drawings or survey of Shady Side Drive.

This addendum shall be signed and attached to any proposals submitted to the City of Clayton for this project. If this addendum is not returned or not signed, responding individuals, companies or other organizations will still be responsible for the requirements of this addendum and the specifications or changes herein.
